Can we bring in our own alcohol?

Due to the nature of our liquor licence, we are unable to allow alcohol to be brought in. We do provide an extensive range through our beverage packages. Please speak to your Wedding Coordinator to discuss any special beverage requests you may have.

Being a working farm, fireworks are prohibited at the estate, however please discuss with your Wedding Coordinator and suppliers any alternate ways to create a wow moment for your big day.

This may be possible to accommodate for depending on the space in use, however cleaning charges may apply. Your Wedding Coordinator can discuss with you what is possible for each space at the estate.
